In 2017, Dibbini guided the Wildcats through its first official Big 12 season and staked K-State to a program record 6-11-1 overall mark and a 1-8-0 record in Big 12 play.

K-State had its first postseason league honor, as Hannah Davis was named to the All-Big 12 Freshman Team. The Wildcats were also successful in the classroom, as 10 student-athletes were named to the Academic All-Big 12 teams.

In the program's first season in 2016, Dibbini led the Wildcats to a 4-9-3 overall record. K-State secured the first win in program history and Dibbini's first NCAA Division I win at Oakland on Aug. 26, 2016.

At the conclusion of the first season, three Wildcats were named to the Academic All-Big 12 Team - Kim Braddock, Miranda Larkin and Addie Jenkins.

Dibbini was hired in December of 2014 as Kansas State's first intercollegiate women's soccer coach and guided the program through the year and a half process of forming a program from the ground up.

Prior to becoming the inaugural head coach at K-State, Dibbini built winning programs and successful student-athletes at the NCAA Division II and NAIA levels. He is a 12-time conference coach of the year who led Kansas Wesleyan and Cal Poly Pomona to 13 postseason tournament appearances and an overall career winning percentage of .750 as a collegiate head coach (265-78-25). Dibbini coached eight years at KWU leading both the men's and women's programs before moving to Pomona in 2013.

In just his second year at Cal Poly Pomona in 2014, Dibbini directed the Broncos to their best season in 15 years with a 15-6-1 record and a No. 16 national ranking, the second-highest in program history. Cal Poly Pomona advanced to the Division II West Region title game in the third round of the NCAA Tournament and produced six all-conference performers including the school's fourth-ever All-American.

Charged with the task of rebuilding the Bronco program when hired in 2013, Dibbini's first team posted a 6-7-5 record. Cal Poly Pomona made tremendous strides in year two not only on the playing field but in the classroom as well. The National Soccer Coaches Association of America (NSCAA) recognized the efforts of the Broncos with a pair of Team Academic Awards for the 2012-13 and 2013-14 academic years.

At Kansas Wesleyan, Dibbini served as the Director of Soccer Programs from 2005-12 for both the men's and women's teams. Combined, he amassed a record of 244-65-25 (.768) and in conference play, his teams went 133-7-4 (.938) while capturing 12 regular-season titles and 12 tournament titles.

The Kansas Wesleyan women's team posted a record of 126-30-14 under Dibbini and, in 2012, the Coyotes were 20-2 overall en route to capturing the league's regular-season and tournament titles and Kansas Collegiate Athletic Conference (KCAC) Coach of the Year and Regional Coach of the Year recognition for Dibbini.

Dibbini also helped KWU secure a berth in the 2012 NAIA Women's Soccer National Championship Opening Round, where Kansas Wesleyan defeated Benedictine to advance to the NAIA National Championship Final site in Orange Beach, Ala. It marked the second time in the Opening Round era that the Coyotes had reached the Final Site, the first in 2008.

The KWU women's squad won three-straight regular season championships in 2006, 2007 and 2008 while going undefeated during that span, and won four-consecutive conference tournament championships in 2005, 2006, 2007 and 2008 before adding another in 2010.

The Kansas Wesleyan men's soccer team finished the 2012 season with a 16-3-2 record overall, winning both the KCAC regular season and tournament championships for a third-straight season and advancing to the NAIA Men's Soccer National Championship Opening Round for a third-consecutive year. Dibbini earned his sixth KCAC Coach of the Year accolade in 2012 and through his eight seasons, the men's team went 118-36-11 overall.

Prior to coaching at KWU, Dibbini was the Boys' and Girls' Soccer Coach at Salina Central High School in Salina, Kansas, from 1999 through 2006 and also helped develop the Salina Soccer Academy youth program. In 2006, he was named the AVCTL Division I Coach of the Year. In 1999, he received the Kansas State Youth Soccer Boys Coach of the Year award. During his time with the Salina Soccer Academy, Dibbini coached eventual 2019 USWNT goalkeeper, Women's World Cup champion and NWSL Goalkeeper of the Year Adrianna Franch.

He holds an NSCAA Premier Coaching Diploma and USSF National Coaching License.

Dibbini graduated Cum Laude from Kansas Wesleyan University in 1999 with a degree in Elementary Education, and continued on to earn a Master of Business Administration in 2002.

As a student-athlete with two years at KWU and two at Bethany Lutheran (Minn.), Dibbini became a four-time All-Conference, All-Region and All-American selection. In 1997, Dibbini was ranked No. 2 in the NAIA for goals and points while also earning NAIA Academic All-Region and National Small College Player of the Year honors.

Originally from Palmdale, Calif., Dibbini was a two-time All-CIF First Team and Golden League Player of the Year honoree while at Palmdale High School. His high school career featured a CIF Player of the Year selection as well.

Dibbini and his wife Trina, also a Kansas Wesleyan graduate and Baldwin City, Kansas, native, have two children, Jada and Kadin.

DON TRENTHAM

Associate Head Coach | Third Season
Columbia College '99

Don Trentham enters his third season on the sidelines for K-State, serving the program as the associate head coach/recruiting coordinator. Trentham joined Dibbini's staff in the summer of 2021.

Trentham's on-field coaching duties include working with K-State's defense.

In addition to his coaching duties, Trentham's responsibilities include: practice preparation and development for the team's defense, organization and arrangement of the team's game schedule, recruiting coordination of unofficial and official visits and recruiting evaluation.

During his second season in Manhattan in 2022, K-State allowed 238 total shots which were the fewest in an 18-game season in program history. The Wildcats allowed the lowest shot per game total, 12.5, in the program's seven-season history. The Wildcats lowered their opponent shots per game average from 2021 by 1.6 shots (14.1 to 12.5).

K-State also set the school record for the fewest shots on goal per game allowed (5.5), while Wildcat goalkeepers allowed 24 goals in 2022, tying for the second-fewest goals allowed in a season since K-State played a full 18-match schedule in 2017. K-State tied for the second-most shutouts in a season with five. The Wildcats also set the school record for scoreless halves in a season with 22.

With his guidance, freshman defender Jazmin Brown became the program's second Big 12 All-Freshman Team selection.

In his first season with the Wildcats in 2021, Trentham helped the K-State defense tie the school record for shutouts in a season with six and tied the school records for consecutive shutouts with three and scoreless halves for a season with 20. The Wildcats also established a new school record for consecutive shutout minutes at 317:55 from Aug. 22 to Sept. 2.

In addition to the shutouts, K-State also set the school record for fewest shots allowed in a season (253) in an 18-game schedule and allowed the second-fewest goals, 24, in an 18-game schedule in program history.

Under his tutelage, K-State defender Jesse Loren was named to the TopDrawerSoccer.com National Team of the Week (Aug. 31). He also aided goalkeeper Alaina Werremeyer to a pair of Big 12 Goalkeeper of the Week honors and TopDrawerSoccer.com National Team of the Week honors (Oct. 12).

Before moving to the Little Apple, Trentham served six seasons as a member of the Missouri coaching staff in 2020, serving as the associate head coach.

Trentham, a native of O'Fallon, Missouri, and a 1999 graduate of Columbia College, primarily worked with the Tiger defense – a unit that thrived under his tutelage.

In his first season at Mizzou in 2015, the Tigers set a school record with only 17 goals allowed on the season. The Mizzou backline held opponents to fewer than 10 shots a game, with only 39.2-percent being on goal. The Tigers allowed only 10 goals in 11 SEC games.

Despite playing one of the nation's toughest schedules in 2018, Mizzou posted five shutouts on the year – three in SEC play. Starting goalkeeper Kelsey Dossey ended her career by earning 2018 All-SEC Second Team honors

In 2017, Mizzou posted three shutouts, and the program won its first SEC Tournament game since 2012 with a 3-1 win over Alabama in the first round.

Mizzou reached the NCAA Tournament in 2016, Trentham's second season on staff. The Tigers posted three shutouts on the season while going 11-7-2 (6-4-1). Midfielder/defender Lauren Seldain was also named to the 2016 All-SEC Second Team.

Prior to returning to Missouri, Trentham spent three seasons as an assistant coach and recruiting coordinator at Colorado. With the Buffaloes, he helped the program post a record of 36-22-7 and two-straight NCAA Tournament berths during that span.

Trentham spent one season as an assistant at Wyoming in 2011, helping the Cowgirls to a 12-5-4 record and the program's first-ever spot in the Mountain West Conference Tournament championship game.

Before his move up the ladder to NCAA Division I, Trentham enjoyed a nine-year stint (2002-10) as the head coach at Montana State-Billings.

At the time of his assignment, Montana State-Billings had never enjoyed a winning season. When he departed, Trentham had guided the program to an 85-75-10 record and the program's first NCAA Division II Tournament appearance. In 2010, Trentham was named the Great Northwest Athletic Conference Coach of the Year.

Trentham holds a USSF National Goalkeeping license, a NSCAA Premier Diploma and a USSF "A" license.

Trentham earned his bachelor's degree in education from Columbia College in 1999 and a master's degree in education in health and physical education from East Stroudsburg in 2007. He and his wife, the former Jennifer Lawler, have two children, Landon and Adelyn.

Under Smith's guidance, the Saints broke the program record for most wins in a season three times (2011, 2015 and 2016) while five of his teams rank at the top of the Limestone record book for most wins in a year. The Saints achieved their best season in program history in 2016 with an 18-2 mark.

In 2015, he guided Limestone to its first Conference Carolinas Tournament Championship and the program's first NCAA Tournament appearance. The Saints added a regular season title in 2016, and followed that up with a second consecutive tournament crown and NCAA appearance.

GENE TAYLOR

Athletic Director | Seventh Season
Arizona State '80

PERSONAL

Year at K-State: Seventh
Date Hired: April 17, 2017
Spouse: Cathy | **Children:** Casey and Jared

EDUCATION

Arizona State (1980), B.A. Business Management
St. Thomas University (Fla.) (1985), M.S. Sports Admin.

Taylor's Trophy Case:

- 2023 NACDA FBS AD of the Year
- 2012 NACDA FCS Central Region AD of the Year
- 2012 Blue Key Honor Society Doctor of Service Award (NDSU)
- 2008 NACDA FCS Central Region AD of the Year

Gene Taylor's K-State program took the college athletics world by storm in 2022-23 as Chris Klieman's football team won the 2022 Big 12 Championship and played in the Allstate Sugar Bowl, and Big 12 Coach of the Year Jerome Tang and his men's basketball squad made a remarkable run to the Elite Eight following a preseason poll that picked the Wildcats to finish last in the league. Both coaches were hired at K-State by Taylor, who was also named the 2022-23 Cushman & Wakefield FBS AD of the Year following a record year.

A member of the College Football Playoff Selection Committee and the LEAD1 Board of Directors, Taylor was named the Director of Athletics at K-State in April 2017. During his tenure K-State has seen the football program qualify for four bowls and win the 2022 Big 12 Championship, the men's basketball team win a Big 12 Championship, earn an Elite 8 appearance and advance to two NCAA tournaments and the women's track and field team win back-to-back Big 12 Outdoor championships.

Additionally, Taylor and staff have fundraised and begun to implement a department-wide facility master plan that will benefit all Wildcat teams including the newly completed baseball and soccer projects in addition to Building Champions, a $126.5 million initiative focused on the South End Zone of Bill Snyder Family Stadium, the new Morgan Family Arena for volleyball, an Olympic training Center and the Shamrock Practice Facility for football.

Taylor, who named the eighth-best Athletic Director among FBS programs by Stadium in 2020, has implemented a strategic plan for the department which places an emphasis on the student-athlete experience, while his leadership in navigating the COVID-19 crisis, in addition to enhancing the department's already-strong diversity and inclusion program, has been well documented.

With the support of fans and donors, K-State Athletics has also continued to be financially self-sufficient and does not receive support from the university. In FY 2019, a year earlier than anticipated, the program ended the practice of receiving student privilege fees in support of the program. This move makes Taylor's program one of eight across the country to operate with no direct or indirect university and student funding or state support.

In addition to achieving a budget surplus for the ninth, 10th, 11th and 12th straight years, overall pledges and cash gifts to the department during the 2022 fiscal year totaled a record $58.9 million, of which $20.4 million was designated for the Ahearn Fund annual giving program and surpassing its budgeted goal previous record of $18.9 Million in FY19. Included in the $20.4 million in annual giving was a department record $801,000 raised during the Powercat Auction. The department also received $42.6 million in cash giving, marking only the third time in history it has eclipsed the $40 million mark.

Hiring and retaining top coaches is also a critical function of the program. Taylor hired Klieman to replace hall of fame coach Bill Snyder after winning four national titles in five seasons at North Dakota State, and in year four led the Wildcats to a Big 12 Championship. Taylor also hired Tang to lead the men's basketball program, Jordan Smith to take over the tennis program and Pete Hughes in baseball, who took the Wildcats back to the Big 12 Championship in his first year on the job.

Graduating student-athletes remains the top priority for the department and academic success has continued under Taylor's guidance as K-State continues to rank among the top schools in the Big 12 in APR and graduation success rate.

Taylor is a 1980 business management graduate of Arizona State, and he received his master's degree in sports administration in 1985 from St. Thomas University in Florida. He worked in the ticket office at Southern Methodist University in 1985-86 before joining the Naval Academy. His tenure at Navy included serving as the commissioner of the five-team Collegiate Sprint Football League that includes Army, Navy, Penn, Princeton and Cornell. He served 13 years as Athletics Director at North Dakota State before being named Deputy AD at Iowa in 2014.

Taylor and his wife, Cathy, have one daughter, Casey, and a son, Jared.

NCAA RULES & REGULATIONS

Dear Wildcat Alumni and Friends,

The support and loyalty of our fans is a cornerstone of the K-State Athletic Department. We truly appreciate your outstanding support. As dedicated fans, you must be committed to compliance with the rules and regulations of the NCAA and the Big 12 Conference.

Under NCAA regulations, K-State is held responsible for the actions of our boosters. "Representative of Athletic Interest" boosters may not engage in any recruitment activities or provide any benefits or privileges to prospective or enrolled student-athletes. This informational page has been developed to assist in the continuing education of our K-State family.

Please carefully read the information that is provided on this page. The K-State Athletic Department is proud to have your loyal support and continued interest in its athletics programs. As we strive for a model intercollegiate athletics program, we must always maintain the highest standards of ethical conduct and integrity. With your assistance and cooperation, we believe we can accomplish our goals.

If you have any questions about various rules and regulations, please do not hesitate to contact the Athletics Compliance Office.

Your cooperation, compliance and support are greatly appreciated.

Sincerely,
Gene Taylor, Director of Athletics

Name, Image and Likeness
The NCAA has adopted a policy permitting student-athletes to profit from commercial activities using their name, image and/or likeness. The parameters for such activities are that the activity must be in return for services, commensurate with market value and follow the K-State athletics policy. Payment to a student for a student-athlete choosing to attend K-State, being a member of a K-State athletics team or for performance during competition remains impermissible. For more information on NIL at K-State please visit our website: https://www.kstatesports.com/sports/nil.

Are you a "Representative of Athletics Interests" (booster)?
Under NCAA rules, K-State Athletics is responsible for the actions of its representatives and subject to penalties for any violations stemming from representatives' actions. A 'representative' of K-State's athletics interests is any individual who is known (or who should have been known) by a member of K-State's athletics administration to:
- Have participated in or are a member of an agency or organization promoting K-State athletics; (e.g. Catbacker Club)
- Have made financial contributions to the athletic department or to an athletic booster organization of K-State; (e.g. Ahearn Fund donor)
- Have been involved in otherwise promoting K-State's athletic program; or
- Bought or received season tickets to a K-State athletics event.

Definition of an Extra Benefit?
An extra benefit is any special arrangement by an institutional employee or representative of the institution's athletics interests to provide a student-athlete or the (student-athlete's relatives or friends) with a benefit not authorized by NCAA legislation.

You can NOT provide any of the following to a student-athlete or their relatives, family or friends:
- Special discounts on shoes, clothing, or other items
- Use of an automobile or transportation of any type
- Rent-free or reduced-cost housing for any length of time
- Entertainment (e.g., cash, or use of your home or other items of value, tickets to an athletic, institutional or community event)
- Gifts or free or reduced cost services such as laundry, haircuts, and legal fees
- Awards, gifts of any kind, or compensation for a student-athlete's tickets
- A loan of money or co-signing a loan
- Preferential treatment of items/services not available to K-State students or the general public.

This is not an exhaustive list. If you have any questions about what you can and cannot do for a student-athlete, please call the Compliance Office before you provide any item or service so we can protect our student-athletes' eligibility.

Employment of Student-Athletes
Student-athletes may be employed by representatives of athletics interests provided their compensation is only for work actually performed and commensurate with the going rate for the job they are performing.
Such compensation may not be based on the value the student-athlete may have for their employer because of the publicity, reputation, fame or personal following associated with their athletics ability.

Who is a "Prospective Student-Athlete" (recruit)?
The NCAA defines a prospective student-athlete (prospect) generally as any student who has started classes for the ninth grade (regardless of whether K-State is recruiting that individual). An individual remains a prospect until one of the following occurs:
- The individual officially registers and enrolls in full-time and attends classes in any regular term during K-State's academic year;
- The individual participates in a regular squad practice or competition at K-State that occurs before the beginning of the academic term (e.g., football, volleyball, or soccer in the fall); or
- The individual officially registers, enrolls and attends classes during the summer prior to initial enrollment and receives athletics aid.

Recruiting and Contact Rules for Prospective Student-Athletes
Only coaches and athletic staff members are permitted to be directly or indirectly involved in the recruitment of prospects. All representatives of the university who are not members of the athletic department staff are prohibited from contacting a prospect by telephone, in person (on or off campus), or in writing (including use of social media) for the purpose of encouraging his/her enrollment and or athletics participation at K-State. In addition, it is not permissible for Representatives to entertain high school, preparatory or junior college coaches who may have a recruit considering K-State Athletics. If there is a prospect in your area you may attend his/her games and/or make the K-State coaching staff aware of the prospect.

Preferential Treatment & Established Family Relationships:
NCAA rules and regulations concerning contact with prospects are not intended to affect established family relationships that pre-date an individual becoming a prospect. You should feel free to continue these relationships and remember that contact is permitted as long as it is not made for recruiting purposes and any benefits provided are the same as were provided prior to the individual becoming a prospect. However, please keep in mind that student-athletes are not permitted to receive preferential treatment, benefits, or services based on their athletics reputation or pay-back potential as future professional athletes.

Please contact the athletics compliance office at (785) 532-3990.

BIG 12 CONFERENCE

400 East John Carpenter Freeway, Irving, TX 75062 | Phone: (469) 524-1000 | Fax: (469) 524-1049 | Website: www.big12sports.com | Twitter: @big12conference

The Big 12 enters its 28th year as one of the nation's premier athletic conferences under the direction of Commissioner Brett Yormark. In his brief time at the helm, Yormark has elevated the Conference to new heights, placing an emphasis on marketing, brand building and storytelling that has resonated across the college athletics landscape.

The Big 12 is comprised of 14 institutions after welcoming BYU, UCF, Cincinnati and Houston on July 1, 2023. TCU and West Virginia were the first new additions since inception when they joined the league on July 1, 2012. Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, Texas and Texas Tech are legacy members.

In the first year of his tenure, Yormark executed a media rights deal with ESPN and Fox that will run through 2030-31 while leading a revamp of the Big 12 Football and Basketball Championships that resulted in revenue and digital engagement highs. He has taken an innovative approach to ensure the Conference resides in places it has never been before including creating the first Big 12 Business Advisory Board. Other highlights are executing a partnership with the National Football League to operate a conference-wide Pro Day, teaming up with New York City Parks Department for a summer activation at historic Rucker Park, and bringing celebrity talent such as Fat Joe, Ashanti, Shaq and DJ Khaled into the Big 12 marketing fold. "Big 12 Homecoming" will debut during the 2023 football season at the four new members' campuses with additional conference members featured in future seasons.

The 2022-23 academic year saw the Conference reach new frontiers with TCU becoming the first league school to reach the College Football Playoff National Championship game. Texas captured the NCAA Women's Volleyball title as well as the Women's Outdoor Track & Field national championship. Oklahoma earned its second straight NCAA Women's Gymnastics trophy and was crowned Women's College World Series champions for the third consecutive season. NCAA Championship runner-up finishes were notched by Oklahoma State Men's Cross Country, Texas Women's Swimming & Diving and UT Women's Indoor Track & Field. NCAA individual titles were collected by 23 student-athletes. The Big 12 tied its own record as the only league to place 70 percent of men's basketball teams in the NCAA Championship and 80 percent of football squads in bowl games in the same academic year, also accomplishing the feat in 2017-18.

The Big 12 office is located in Irving, Texas.

KEY HIGHLIGHTS

- Home of 81 NCAA team titles and 742 individual national championships (As of July 1, 2023).

- Big 12 institutions create a league that encompasses eight states, three time zones and a combined population of over 79.3 million.

- The league sponsors 23 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, equestrian, golf, gymnastics, indoor track & field, outdoor track & field, rowing, soccer, softball, swimming & diving, tennis and volleyball. The Conference currently conducts postseason championships for 22 of its 23 sports.

- Entering the 2023-24 academic year, the Big 12 has over 800 Academic All-America recipients.

- National academic accolades have always been strong in the Big 12. Charlie Kolar (Iowa State) was the recipient of the 2021 William V. Campbell Trophy, known as the Academic Heisman. He is the Big 12's fifth honoree since 2000. Since 1996, the Big 12 has 14 recipients of the NCAA Today's Top 10 award. This prestigious honor recognizes former student-athletes for their success on the fields and courts, in the classroom and in the community. In the last 13 seasons, 27 student-athletes were recipients of the NCAA Elite 90 award.

- Big 12 Commissioner Brett Yormark announced the formation of a Business Advisory Board to collaborate and help co-author the Conference's business strategy. The Board is comprised of some of the most successful leaders from a variety of fields – entertainment, finance, consumer brands, technology, media and more – that bring a wealth of knowledge and expertise in building global brands and dynamic businesses.

BUSER FAMILY PARK

K-State will enter its eighth season at one of the top facilities in all of NCAA Division I soccer in 2023. Fans have streamed through the gates in the first seven seasons, as the Wildcats have ranked among the top-35 in the nation in average attendance in six of the first seven seasons.

Built on the site of K-State's temporary facility from the first three seasons of the program, Buser Family Park broke ground during the 2018 season while exterior construction was completed in early August of 2019.

Buser Family Park provides just under 1,400 larger more comfortable bench seats for K-State's dedicated fanbase.

At the top of the seating area, a permanent press level including a television booth, a radio booth, operations booth, media seating and one suite for fans was also constructed.

At the end of the 2019 season, Kansas State's locker room, team lounge, visiting team locker room, K-State coaching staff offices, sports medicine and strength and conditioning were completed beneath the seating area when construction is completed.

The competition field, which was untouched during the construction, features one of the top playing surfaces in all of Division I soccer with a natural Bermuda grass surface and irrigation and drainage systems.

Buser Family Park witnessed an upgrade to the fan experience on game days in 2022, as K-State Athletics installed a new high-definition video display measuring 41 feet by 23 feet on the east side of the playing surface as well as upgraded audio technology around the grounds.

K-State became comfortable with their home surroundings in the inaugural season in 2016, registering a 2-1-1 home record, including a three-match unbeaten streak to end its inaugural home schedule.

Kansas State women's soccer letter winners must play in a minimum of five matches in a season, regardless of minutes played. The coaching staff also may award a letter at their discretion due to an extenuating circumstance. Due to the COVID-19 pandemic, players on the 2020 roster needed to play in two matches to receive a letter.

Dr. Richard H. Linton serves as the 15th president of Kansas State University. He holds a bachelor's degree in biology, a master's degree in food science and a doctorate in food science, all from Virginia Tech University. He participated in the Food Systems Leadership Institute from 2009-2011 and completed the Harvard Graduate School's Institutional Educational Management Program in 2018.

Before coming to K-State in February 2022, Linton served as dean of the College of Agriculture and Life Sciences at North Carolina State University from 2012-2022, as department chair of food science and technology at The Ohio State University from 2011-2012, and as a faculty member of the department of food science at Purdue University from 1994-2011. While at Purdue, Linton also served as the founder and director of the Center for Food Safety Engineering and as the associate director of agricultural research programs.

As dean of the College of Agriculture and Life Sciences, or CALS, at NC State, Linton led a college of over 300 faculty, with more than 3,000 undergraduate students and 1,000 graduate students. Under his direction, the college developed a new strategic plan focused on building people, programs and partnerships. Collaboration with industry and government were critical to the mission of the college, and Linton's dedication was demonstrated through the NC Plant Sciences Initiative and the NC Food Processing and Manufacturing Initiative, two endeavors that have the potential to create jobs, find solutions to global challenges in agriculture and foster support for local growers. During his tenure at NC State, competitive research for CALS reached $100 million a year and his college raised $482 million for the NC State Capital Campaign.

Linton held many important leadership roles in addition to serving as dean. He continues to serve as a member of the Food and Drug Administration's Science Advisory Board, as well as the chair for the Binational — Israel/U.S. — Ag Research and Development Fund, a role to which he was appointed in 2018 by the U.S. secretary of agriculture. He also previously chaired the North Carolina Governor's Task Force on Food Manufacturing and the APLU-Healthy Food Systems, Healthy People Steering Committee.

President Linton and his wife, Sally, an ADHD/executive function life coach, have two children: a daughter, Lily, and a son, Chris.

KANSAS STATE UNIVERSITY

It's an exciting time to be a Wildcat!

With recent and future facility investments, academic advancements and athletics success, Kansas State University is on the rise to be the next-generation land-grant university.

K-State was established in 1863 as the nation's first operational land-grant university. As such, the university's mission has always been rooted in the principles set forth in the Morrill Act: to provide teaching, research and service to the citizens of Kansas and beyond. K-State is governed by the Kansas Board of Regents.

This fall, K-State launches its next-generation land-grant university strategic plan. Building on our foundation, we will once again lead the way as the next-generation land-grant university — operating as a future-focused, inclusive and connected community that inspires discovery, creates prosperity, impacts society and transforms lives in Kansas and beyond.

Please be advised that regularly scheduled interview days may not be conducted due to team travel or moved to an indoor location due to weather.

Game day interviews are not permitted unless request is affiliated with the television network broadcasting that day's match. See 'Postgame Policy' for additional information.

PRESS PARKING

Press parking is located in the west lot of Bill Snyder Family Stadium/Bramlage Coliseum and can be accessed off of College Avenue through Gate 1 or off Kimball Avenue through Gate 5.

VISITING RADIO

To inquire about using existing radio courtesy lines, visiting radio stations should contact Randy Peterson, Director of Women's Basketball and Soccer Communications - at 785-532-7975 or by email: rpeterson@kstatesports.com. Only those stations recognized as the official originator for the visiting team will be afforded broadcast facilities.

PHOTOGRAPHERS

WEBSITES

Kansas State reserves the right to deny media credentials to any individual whose website is not affiliated with an official news-gathering organization or publication. Credentials will be issued to official online services of national, over-the-air or cable networks or established publications which are staffed by full-time employees (i.e. ESPN.com, SI.com, CBS Sports, etc.) and then with a maximum of one credential.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling, or to "freelance" or "fan-based" sites that are not affiliated with a legitimate news gathering organization. Membership in a writer's association (i.e. USBWA) does not automatically qualify an agency for credentials.

Additionally, online services are prohibited from "real time" (also known as "cybercast") transmission of all Kansas State Athletics events. Those rights are co-owned by Kansas State University, the Big 12 Conference and Learfield Communications.

POSTGAME POLICY

Kansas State's locker room is closed. Media will be asked to submit a list of player requests to Randy Peterson, Director of Women's Basketball and Soccer Communications, during the last 10 minutes of the match. Coach Dibbini and requested players will be available on the field following a brief team meeting.

WE ARE K-STATE

When referring to Kansas State University, please only use the terms **Kansas State** or **K-State**. Please refrain from using KSU, Kansas St., Kan. St., or any other variation. The only acceptable nicknames include **Wildcats** or **Cats**. In addition, K-State plays in the **Big 12 Conference** or **Big 12**. Please do not use roman numerals (Big XII) when referring to the Conference. Your cooperation is appreciated.

CREDENTIAL POLICY AND OTHER GUIDELINES

Individuals picking up credentials will be required to furnish positive identification. All credentials are non-transferable and are issued based on Kansas State's credential policy.

Credentials and working space for media members are issued at the sole and exclusive discretion of the Kansas State Athletics Communications Office based on the following priorities and guidelines:

1. Originating radio and television personnel involved in a live broadcast.
2. Daily newspapers and websites regularly covering Kansas State University, the current-game opponent or another Big 12 school. Wire services, regional and national publications are also afforded this priority.
3. Non-originating radio and television personnel producing reports on the game. Only local radio stations with a full-time sports director conducting a regular sports show receive consideration.
4. Officially recognized Kansas State University student publications or electronic media outlets.
5. Non-daily newspapers reporting on the game.

OTHER CREDENTIAL GUIDELINES

1. With the exception of beat writers covering Kansas State daily, all passes are issued on a game-by-game basis with consideration of available working space.
2. Passes are non-transferable and are subject to immediate revocation if transferred to non-working members of a media outlet.
3. Kansas State University and the NCAA prohibit the issuance of credentials to representatives of organizations that regularly publish gambling information, such as "tout" or "tip" sheets.
4. Kansas State University reserves the right to deny media credentials to any individual whose website is not affiliated with a recognized news-gathering organization.
5. All persons picking up credentials will be required to furnish positive identification. All credentials are non-transferable.
6. Spouses, dates, non-workers and anyone under 16 years of age are not permitted in the working press area.
7. Restrictions have been made on the usage of internet video of K-State Athletic events. Highlights of game action and/or press conferences from K-State events are limited to and cannot excede three (3) minutes in length per event.
8. Each outlet requesting credentials will be permitted a MAXIMUM of TWO "on-field" passes which can be designated for still photography or video use. These two passes MUST be utilized in a working fashion and each user must check out a PHOTO VEST from the press level (which must be worn on the field at all times).
